This is one of few bridge courses where you will learn defense from A to Z (not just "signals"). You'll practice every strategy, even learn from your mistakes, by playing defense on every lesson hand! Recordings of my presentations for each week will be available. Cost is \$129; register [here](#).

2NT is a contract no one wants to play. So just like 4NT, it is used for other purposes. But sometimes we DO mean it as a natural bid! Join me in this series to learn about the most useful artificial meanings 2NT, as well as when it pays to just bid 2NT as a game invitation or "to play." “Points and Pointers” Online Games

Wednesday Jan 7, 6:00 - 8:00 PM Eastern
Monday Feb 9, 6:00 - 8:00 PM Eastern

Levels 2-5

The Shark Bridge app/website now awards ACBL master points, and offers a wonderful opportunity for me to teach while you play and win points! In two upcoming games this winter, you'll play 12 boards with master points awarded to the high finishers.

Between rounds, the game will pause while I give pointers on the hands you just played. Your opponents will be robots (same opponents and same hands at every table!) but you will need a human partner. If you need one, let me know and I'll connect you with a partner in advance! Or come as a single and be matched 30 minutes before game time. Cost will be just 10 Shark credits, or about \$10. Click on a date to register.

Questions & Answers about Kim's Online Bridge Classes

What Do I Need to Join In?

Welcome to Bridge Classes for 2026! You can enjoy learning and improving your bridge play as long as you have: a computer, laptop, iPad or tablet; a good Internet connection; and the ability to comfortably use Zoom and an Internet window at the same time. iPhones do not have a large enough screen for effective use in class. No partner required — singles are welcome and will be paired up in class.

You Say We Play Bridge Hands During the Lesson?

In all my classes, students play hands online to practice what you're learning. We start on Zoom, where I teach a lively lesson! Then, we transition to the wonderful and amazing Shark Bridge Classroom for you to practice. After each deal, I "replay" it showing all four hands, so you can see the correct techniques. Because so much of your learning takes place while you play, I generally do not record videos of my lessons.

How do I Sign Up?

Go to www.bridgewithkim.com/book-online to enroll and pay by credit card; or e-mail me at kgilman11@gmail.com. You can also pay via Venmo, Zelle, or PayPal. Unfortunately I am not able to accept single-class "drop-ins" or pro-rated registrations. But I do have a money-back guarantee so don't hesitate to give it a try!
